DAYCARE WORKER

Birthday September 1 **Age** 19
Bra Size: 34D
Height: 5'5" **Weight:** 130 lbs.

"I wasn't shy about getting naked and stuff in front of my girlfriend so she could take these photos, but I'm really shy around guys that I don't know and they often think that I'm being a bitch and they ignore me," said Jamie. So, I don't get asked out on dates as often as I'd like. I haven't been having sex for very long, but I love it and I'd probably go all the way with a guy on a fourth date if I really like him. But if a guy expects sex on, like, a second date, then he's outta luck 'cause that's too soon for me."

"Some of my girlfriends are dating guys in their late 20s and early 30s and they tell me that's the way to go because the older guys are more considerate to their girls and they're way better in bed," said Jamie. "The guys I've had sex with didn't seem too interested in whether I had a good time or not; they were more concerned with cumming and then taking off to do something else. I don't think that's the way that sex should be unless you both know that you're just having a quickie. Sex should be taken slow with the girl getting to enjoy it, too."

Sex with Jamie
"I like fooling around first and cuddling afterwards. I love trying different positions, but I can only cum when we do it the missionary way. I like that, too, because I can see the guy's face when he cums inside me."

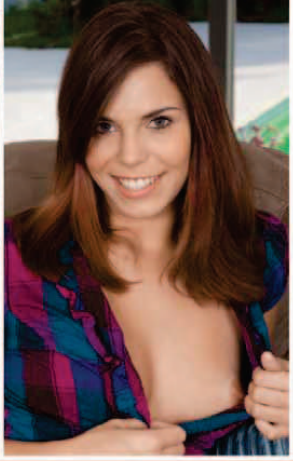
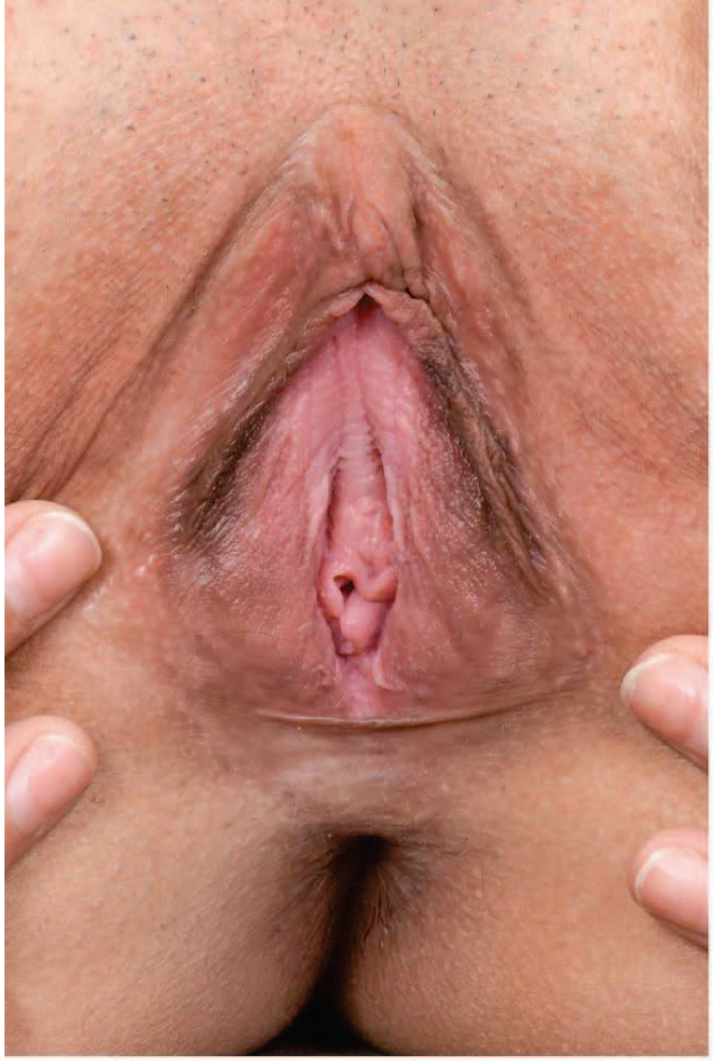
DEPARTMENT STORE CLERK

Birthday April 20 **Age** 21
Bra Size: 34B
Height: 5'3" **Weight:** 128 lbs.



"My roommate's guy buys *NN* and they often read them when they're in bed," said Izzy. "She'd never, ever pose for the mag herself. One night when they were away for the weekend, I was in my bed with my guy and I showed him the mags for the first time and told him that I'd love to be in it, too. He got hard right away, and we'd only just finished having sex so I knew he liked the idea. We got to looking at the couples having sex and soon we were screwing

"I always dress real sexy to be noticed by guys when I go out, and I love flirting and being an exhibitionist," said Izzy. "Some guys might not like their girlfriend to be like that, but my guy enjoys watching other guys' reactions to me because he knows that he's the one who gets to touch and screw what the other guys can only look at. That gets him so horny that we often end up screwing in his car after we've been out to a club or a bar. He can't wait till we get back to his place or mine; he has to have me right away. I love that, especially if there's a chance that people will see us doing it."



Screwing Izzy
"If I've cum from having my clit licked, I can often have two or three more orgasms during sex. If my guy hasn't cum with me, he can do me any way he wants—even do my butt—till he shoots his load."

Japanese geek married game character

A Japanese geek–SAL9000–fell in love with a character, Nene Anegasaki, while playing a dating simulation game called *Love Plus.* They got married a few weeks ago. Their ceremony was shown live on Japan's version of Youtube.

SAL9000, who did not want to reveal his real name for fear of being misunderstood, is an "otaku," a name given to Japanese youths who are obsessed with video games, computers and fantasy worlds.

"In the Japanese 'otaku' or nerd culture, there's a tradition of calling a character your wife, and I sort of thought of Nene as my wife. So I thought we'd just have to get married," SAL9000 said.

The newlyweds went on a "honeymoon" to Guam, and the guy now goes around Tokyo taking photos of Nene (installed in his Nintendo DS) in front of landmarks and posting them on social networking sites. The game has voice recognition software, so SAL9000 has conversations with Nene and they even play games such as Rock, Paper, Scissors. He has vowed to have and to hold, for better and for worse, even if an updated version of the game is released.

Poor bastard…but he should have kept his mouth shut

In Saudi Arabia, where sharia or Islamic law is practiced, a man who openly bragged about his sex life was sentenced to five years in prison and 1,000 lashes. Pre-marital sex is illegal in Saudi Arabia, and unrelated men and women are not permitted to mingle.

Mazen Abdul Jawad, 32, who is divorced, spoke about his busy sex life for the Lebanese Broadcasting Corporation's popular show, *A Thick Red Line.* He was arrested after the episode was aired in Saudi Arabia.

Abdul Jawad was also shown in his bedroom, holding up sexual aids for the camera, and later cruising Jeddah in his car looking for women.

He is in jail while his sentence is being appealed. Two female, LBC staffers, also Saudis, who assisted in the making of the episode, are "under investigation" by authorities.

IT'S BACK! VULVA ORIGINAL VAGINAL SCENT

We reported on this some time ago, but the product was taken off the market by it's German manufacturer and reworked. Now it's back, better than ever. The manufacturer describes it so much better than we can.

"The vaginal scent of a beautiful woman–VULVA Original is not a perfume. It is the feminine, erotic, intimate scent for your smelling pleasure. The new scent is filled into an exclusive glass phial with a comfortable roll-on applicator with more content of that precious, organic substance.

Our greatest challenge was to preserve the intimate scent without altering the essences thereof. After many years of extensive testing and an especially developed preservation procedure, we have succeeded in capturing the sought-after organic vaginal scent with a long lasting effect.

The phial is shaken gently, only a tiny amount of the slightly yellow substance is applied onto the back of the hand, and the irresistible smell that exudes from a sensuous vagina immediately intensifies your erotic fantasies and starts the film rolling in your head. Breathe in and enjoy, anytime, anywhere, the intimate smell of an irresistible woman."

Already the research team from vivaerous has hinted that two further vaginal scents will be presented to the public soon. VULVA Original will soon be complemented by the two erotic scent themes EIGHTEEN and EXOTIC.

It is well worth checking out the company's website for VULVA original– smellmeand.com–even if you have your own, private source of pussy aroma. The photography is erotic, the videos are entertaining and there are wallpapers for downloading. A phial of VULVA Original will set you back 24.90 Euros (that's about $35) and you can even purchase T-shirts and panties.

Don't drink and flash

A "slightly drunk" 18-year-old girl, Cherelle Dudfield, in Invercargill, New Zealand, flashed her breasts at oncoming traffic as a prank, but one driver

was so distracted that he ran into her. She tried to get out of the way, but rolled on top of the car hood and broke the windshield. She suffered only minor injuries, but was fined $200 for causing an accident.

She offered a warning to others: "Don't be stupid. Don't get drunk and stand in the middle of the road and flash anyone…because it hurts."

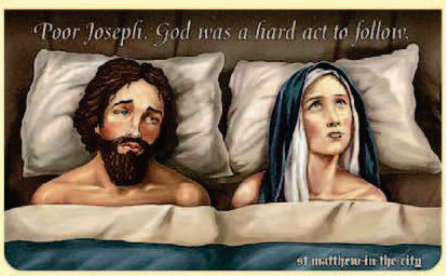
A CHURCH BILLBOARD PISSED OFF A LOT OF PEOPLE

In Auckland, New Zealand, the St Matthew-in-the-City Church had this billboard erected. It shows a dejected-looking Joseph under bedcovers beside a sad Mary. The caption reads: "Poor Joseph. God is a hard act to follow."

The church archdeacon said the billboard was intended to lampoon the literal interpretation of the Christmas conception story and highlight the real significance of the festival.

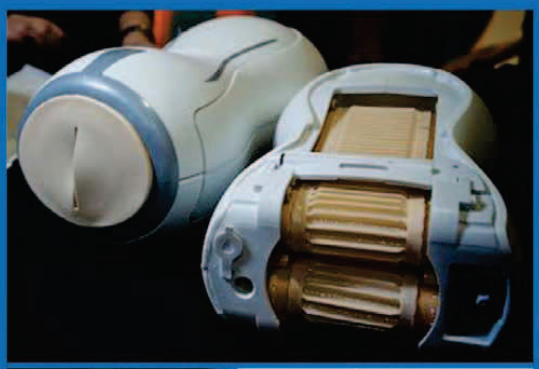
"What we're trying to do is to get people to think more about what Christmas is all about," he said. "Is it about a spiritual male God sending down sperm so a child would be born, or is it about the power of love in our midst as seen in Jesus?"

Naturally, the billboard was widely criticized and drew a lot of negative email and calls to the church and strong reactions on local TV. It was also splattered with paint shortly after being erected.



FRISKY.COM'S BEST SEX INVENTIONS OF THE NOUGHTIES DECADE

Frisky.com–a great website that you should check out regularly–gave a list of what they considered to be the best sex inventions of the Noughties decade. We totally agree with them.



The Orgasmatron 3000: For women with sexual dysfunctions.

Cum Flavor Changer: Make your splooge taste like sour apple candy! Sweet Release Hard Apple tablets are about $40 a bottle.

Clone-A-Willy or Vagina: Now you can make an identical vibrating replica of you or your loved one's crotch.

The G-Spot: Finally and officially "discovered" in 2008 by Italian scientists using a sonogram.

The Tenga: The washable, waterproof sex toy for men that has a "wave-like sensation. You've seen them on sale right here in *NN*.

His and Her Lube: It's called K-Y Yours+Mine, so both guys and girls get something special.

Robot Sex Doll: A remote-controlled fuck-buddy with a G-spot, heavy breathing, and pubes! The First Androids are German-engineered and retail for $3,820.

The Real Touch: Made for men, this fuck-toy not only warms, vibrates, and lubes automatically, it can also sync itself to a porn star's moves in a porno DVD or video that you're watching for the ultimate jack.

Guys who are into porn don't become perverts

Scientists at Canada's University of Montreal intended to conduct a study comparing the views of men in their 20s who had never been exposed to pornography with those of regular users. But they encountered a problem.

"We were seeking men in their 20s who had never consumed pornography," said Professor Simon Louis Lajeunesse. "We couldn't find any."

So the professor interviewed heterosexual male students who looked at porn, and found that, on average, they first watched it when they were 10 years old. About 90 percent of their viewing is on the internet and 10 percent is DVDs or videos.

Single guys watch porn an average of 40 minutes, three times a week and guys in relationships watch it an average of 1.7 times a week for 20 minutes.

The study found that guys watch pornography that matches their image of sexuality and move away from porn they find offensive or distasteful.

Prof Lajeunesse said pornography does not have a negative effect on men's sexuality. "Not one man had a pathological sexuality, All of their sexual practices were quite conventional. Porn hasn't changed their perception of women or their relationships, which they all want to be as harmonious and fulfilling as possible."

JAPANESE GAME SHOWS CAN BE DAMNED HOT

We figure that there are probably few, if any, male members of the Naughty Nation who watch game shows on TV. But we bet that you would if they were as sexy as some of these recent Japanese game shows are. The games include…

Sucky Sucky. Women in business clothes crawl to the cylinder that has penis-like protrusions and demonstrate their blow job skills. The most talented gal in a set time wins the prize.

Undress Me Please. Wives have to undress their fully-clothed husbands down to briefs, using only their mouths. The quickest wife wins.

Melt The Ice. At a beach, girls in small bikinis can use whatever body parts they can to melt a big sliver of ice as fast as possible.

Make Me Bust. Five or six young women each have a remote-controlled vibrator in their pussy. The vibrators are controlled by guys banging on large, ceremonial drums. The object of the game is to be the last girl to orgasm. As the girls writhe on the padded floor, other guys try to excite them more using various props. There are plenty of close-up up-skirt, panty-crotch and butt shots to delight the viewers as each babe cums in her own way.

Churn Baby Churn. Teams of four guys wearing diapers, facing a time limit, try to turn the giant wheel as fast as possible to un-thread the dress worn by a girl. A perfect game would end with the girl standing there wearing only panties.

Cat Fight. Bikini-clad girls go at it like sumo wrestlers, trying to be the first to get three falls.

The photos, taken from screen captures, may be a bit fuzzy, but you should get the idea.

Lube her up!

A study by The Centre for Sexual Health Promotion (CSHP) at Indiana University reconfirms that lubricants enhance sexual experience and satisfaction for women. Research participants aged between 18 and 68 were asked to use one of six different water or silicone-based lubricants and remark upon their experiences. In over 70 percent of partnered and unpartnered sexual events, they reported that the use of lubricant improved pleasure and satisfaction.

The associate director of CSHP, said that very few side effects are associated with the use of lubricants. The 2,453 women in the study reported a small number of incidents of vaginal tearing and genital pain with rates of 1 and 5 percent respectively. The majority (85.6 percent) of participants self-identified as heterosexual and just over half (56.4 percent) were married.

The stripper mobile could be heading your way

In the last issue we told you about the mobile strip show–used to promote a club–that was banned in Las Vegas. It might be coming to your town soon.

Called the *Strippermobile Winter Tour 2010,* the truck with the Plexiglas cargo area where bikini-wearing strippers perform on-the-go, hit the road in January. "We're going to have them swinging from coast to coast," Larry Beard, marketing guru for Déjà Vu, said. He said the tour will be filmed and, he hopes, televised.

MAKE HER CUM BIG TIME

Don't think that pounding your partner's pussy hard during sex will make her cum. It won't.

"Combining foreplay, clitoral stimulation, partial penetration, and anal stimulation can literally be like sexual dynamite for a woman," says Gabrielle Moore, author of *The Female Orgasm Revealed.* She advises…

"Target her erogenous zones–neck, nipples, and inner thighs–with your lips, tongue, and fingertips. And take it slowly, it's not a race."

"Get her to the point where she's literally begging. But then hold back. Having sex before reaching that magic moment decreases your chances of giving her an orgasm."

"Penetrate her slowly and partially, and then stop for a few seconds. Don't go in completely for three to five minutes until she begs you even more."

"Take her hand and gently guide it to her clitoris. Clitoral stimulation will significantly boost most women's chances of reaching an orgasm."

"Move on to full penetration, gradually increasing the speed and depth of your thrusts. As she gets closer to orgasm, try a bit of gentle anal stimulation. It will increase the intensity of her orgasm even more." NN

"I've seen in *NN* that some girls worry about their parents' reaction if they found out their daughter was in a porn mag," Brandi said. "My mom was surprised when I got my first tattoo, but when I got more, and then got my nipple pierced, she said that nothing I do will surprise her anymore. I'd love to have a guy come up to me in the future and say he recognizes me from *NN*. Knowing that he's seen my spread pussy would be so exciting, I think."

"I have to be in a relationship to do it. After I've cum from pussy sex and I'm all still sexed up, the guy should enter me slowly, but then he can speed up and go deep. I don't cum, but I love feeling him cumming."

She's on a treadmill, and her personal trainer is putting her through a tough workout. He asks Isabella if she's feeling okay, and she says, "No. I need to get fucked. I need cock bad." DVD PICK of the month

TWO TIMING MILFs

When Kelly Leigh (left) is talking to her husband on the phone and says, "I miss you," she's really saying that she needs his cock. And when she adds, "I'm so frustrated," she's warning him that if he doesn't come home in a hurry, she's going to let a dude fuck her ass until he cums all over her. Yes, there are still many lessons to be learned from watching porn, and one of them is, if your woman says, "I miss you," get home fast. Especially if she's into anal. Same with Porsche (right). Her husband is the boss, but he's not smart. He left her alone with a hung employee. So what does Porsche do? She undresses him, then has him fuck her ass. Why? Because she needs it. Because she's a two-timing MILF. Sometimes, they're the best MILFs of all!

SHOE STORE CLERK

Birthday May 26 **Age** 21
Bra Size: 34A
Height: 5'5" **Weight:** 117 lbs.

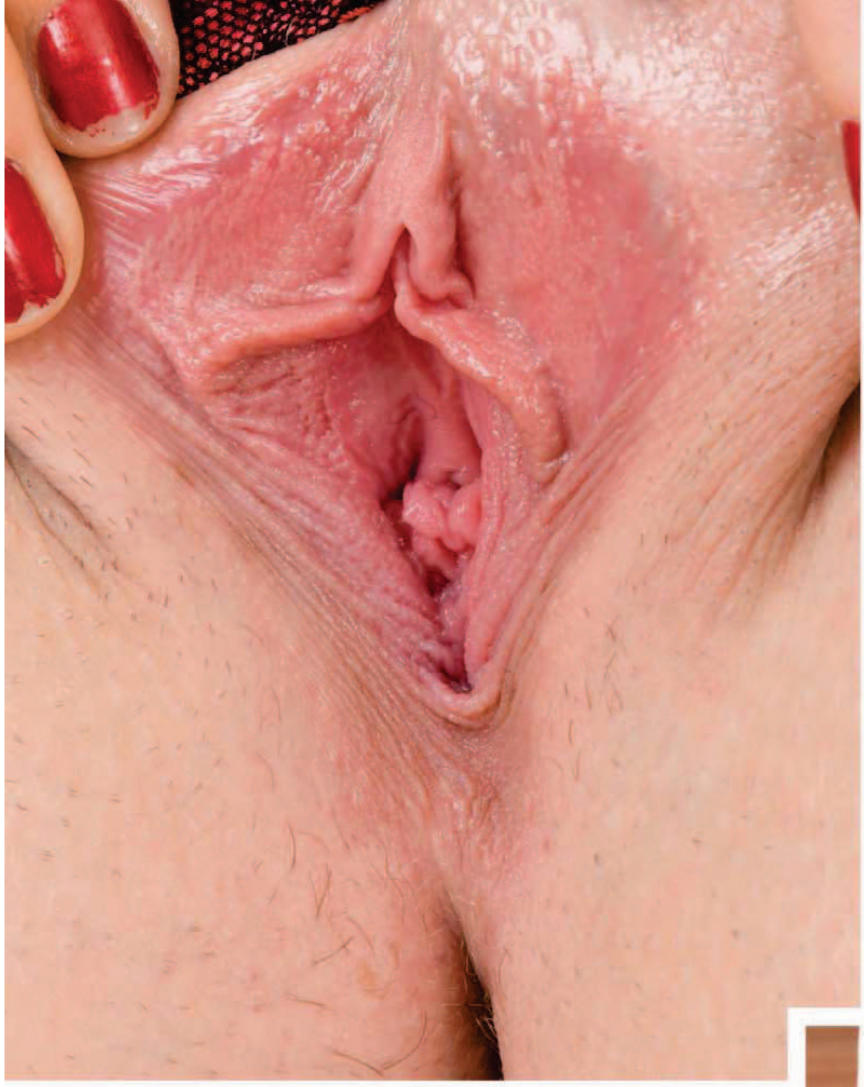
"I gave my guy a digital camera for Christmas," said Haylee. "I was at his place a few days later and he told me that he'd figured out how to use it, and he wanted photos of me to email to his folks who I've never met. I let him take a couple of suitable photos, then I flashed my tits. He liked that, so I kept on going and this is what happened. A few days later, we were in a bookstore and we started looking at the porno mags. We bought a NN, and I decided that I wanted to be in it. So here I am."

Sex in the kitchen?
"I stayed on the stool and my guy did me. I wrapped my legs around his waist and he held onto me while he banged me hard. We were both so excited that we came real quick. It was an awesome fuck!"

OFFICE WORKER

Birthday December 28 **Age** 20
Bra Size: 34C
Height: 5'4" **Weight:** 133 lbs.

"I let my bloke take these photos on a wet Sunday when there was nothing on TV and we were taking a rest after bonking," Tiffany said. "When he suggested sending them to *NN* in Miami, I went along with it, but I figured they'd be sent back with a nice letter. So it was fabulous to be called and told I'd be in the mag…and be paid for the photos, too. I'll probably show the magazine to all our friends; I wouldn't be at all embarrassed about them seeing all my private bits."



Tiffany's favorite sex
"I love lying on my side with my bloke shagging me from behind. I have the best orgasms when we do it that way. I like missionary and being on top and doggie-style feels great, too, but I can't always cum."

TOP 10

THE TOP 10 SIGNS THAT SHE'S READY TO TRY ANAL SEX

EVER WONDERED HOW TO TELL IF YOUR LADY IS READY TO TAKE YOUR DICK IN HER ASS? WELL, WONDER NO LONGER. DEACON GARRIT, A BIG-TIME BOOTY MAN, GIVES YOU THE TOP TEN, TELL-TAIL SIGNS THAT SHE'S DECIDED IT'S TIME TO GIVE YOU HER BUTT-CHERRY.

1) She starts talking about trying "new things" in bed

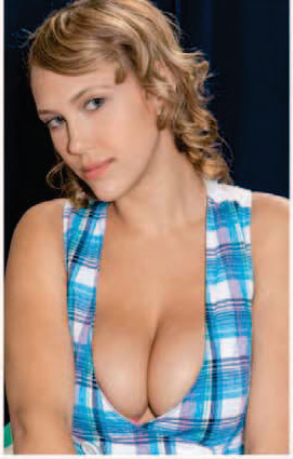
When a woman starts the discussion about trying "new things" in the bedroom, it's most often code for, "I want to try out anal sex." Maybe not at first, but most women are curious about anal and will drop subtle hints about experimentation rather than come right out and say, "I want you to cum in my ass!"

2) She starts wearing outfits that accentuate her ass

If she is packing a lot of junk in her trunk and she knows you like it, and all of a sudden she is prancing around in tiny booty shorts or thongs, chances are that she wants you to notice her ass. Chances are that she is trying to entice you with her ass so that you try something. Women like to be coy and flirtatious. Don't miss the signs that she is opening up the gates of her chocolate highway!

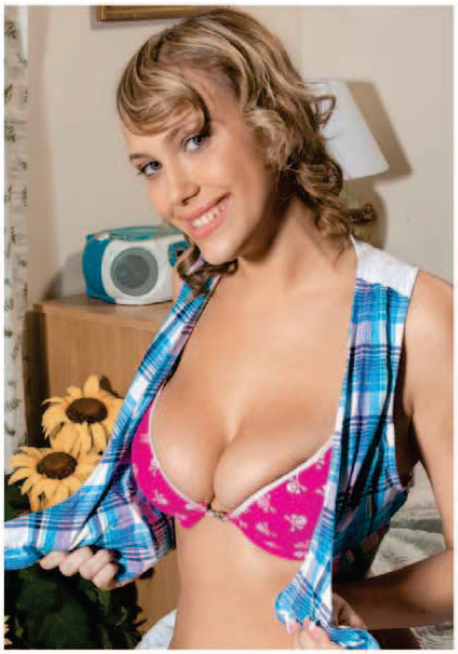
3) She starts finding ways to put her ass on display for you

When a woman wants you on your knees, spreading her ass cheeks open and pillaging her backdoor with your fingers, mouth and eventually, your cock, she will find ways to position herself for your anal assault. If she is bending over in front of you a lot, or finding reasons to be on all fours in your presence, (i.e.-Needing to suddenly clean the floors in your vicinity, on all fours, right in front of the T.V. while you are watching the game.) chances are that she wants you to do more than just look at her ass cheeks. So commence your butt plowing!



SUPERSTORE ASSOCIATE

Birthday February 20 **Age** 19
Bra Size: 34DDD
Height: 5'6" **Weight:** 126 lbs.



"I posed for my boyfriend's birthday…his 30th birthday," said Alexia. "We've been dating for six months and while we've looked at a lot of NN mags together at his place, he never said anything about me posing. So my suggesting it to him was a surprise. He jumped me right away, and, I swear, his cock was bigger and harder than I'd ever seen it and he humped me like crazy, so I knew he loved the idea."

Alexia's favorite fuck

"I like riding on top so my guy can play with my nipples and suck them. That makes my pussy wetter and more sensitive and makes me cum stronger. Sometimes I cum twice. The second time is when he does."

"I'd find it hard to start dating younger guys again if my man and I split up," said Alexia. "The guys about my age that I was with in the past were selfish and clueless in bed and didn't seem to care if I was enjoying myself or not. They just wanted to get into my pussy, cum and be done with it. Now I've discovered that having sex can take ages, with lots of teasing, building up to near-cumming and then calming down before building up again; stuff like that. So now I'm practically begging to cum the first time because I can't take much more fucking. That's how sex is supposed to be."

BABY TEASE

ROSE SAN FRANCISCO, CALIFORNIA **AGE 48**

Rose (5'8", 147 pounds, 36DD bras) certainly qualifies to be this issue's *Bush Baby*, but she qualifies for *Cougarlicious*, too. See, Rose has a very high sex drive, and she finds that horny college guys are the best at keeping her satisfied. "And they have the quickest turn-around time, too," she said. "I like sex at least three times a day—first thing in the morning, last thing at night and some time in-between. And if any one of those sessions is super and gets me really sexed up then I'll be looking for a repeat as soon as the guy can get it up again. I love any position—they all get me off—but I like finishing up in doggie-style because I'll tell him—more like beg him actually —to do me in the ass and finish off that way. That will give me another orgasm."

& fantamag.com

"I go bar-hopping with a friend of mine who's just as horny as me, but I have almost as much success meeting fuck buddies in stores and such," said Rose. "I must give off 'Fuck me!' pheromones or something because I get hit on quite often. I find that a lot of my lovers—I probably have 12 to 15 a year—have never experienced a female with pubes up close and personal, much less red pubes. They seem fascinated and are always eager to get busy in amongst them with their fingers, tongues and dicks. Lucky me!"

Emily & Jay

Emily, 19, (5'2", 130 pounds, 34D bras) and Jay, 23, are students who decided that fucking for the *NN* cameras would be their wild adventure of the new year. "Most other 'adventures' cost a lot of money, and we're poor students, so doing this is not only a great thrill and really adventurous, but it will give us some extra money to, perhaps, go away for a dirty weekend," said Emily. "And we'll have the magazine to enjoy for years."

ww com & www.fa

"It was me who introduced Jay to butt fucking," said Emily. "I know he was kinda shocked when I asked him to do my ass on, like, the third time we slept together. He went quiet and just lay there next to me. He told me later he didn't know what to do. So I instructed him how to get us both all lubed up and it was all on. He probably lasted about 10 seconds in my ass till he came and he was really embarrassed. But practice makes perfect and now we often have butt sex after pussy sex and we enjoy it for ages before he cums."

JUNE 2010

The Scotsman's proposition

A Scotsman walking down a street in New York sees a woman with absolutely perfect breasts. He approaches her and says, "Miss, would ye let me bite ye breasts for a hundred dollars?"

"Are you nuts?" she replies, and keeps walking.

He turns around, runs around the block and gets to the corner before her. "Would ye let me bite ye breasts for a thousand dollars?" he asks.

"Listen. I'm not that kind of woman. Got it?" she snarls.

So the Scotsman runs around the next block and faces her again. "Would ye let me bite ye breasts just once for ten thousand dollars?"

She thinks about it and says, "Okay, just once, but not here. Let's go to that dark alley over there "

They go into the alley, where she takes off her blouse and bra to reveal a perfect pair of 36D breasts. The Scotsman grabs them and starts fondling, kissing and licking them, but not biting them.

The woman finally gets annoyed and asks, "Well? Are you gonna bite them?"

"Nah," says the Scotsman. "It's too expensive."

The beer belly

I was sitting in a bar the other night. A sexy-looking girl walked up to me, took a look at my beer belly and asked, "Is that Budweiser or Miller?"

"There's a tap underneath. Try it and see," I told her.

His wife and anal

My wife really loves anal sex, the rougher the better. She whoops and yells, bucks her hips up and down like she's riding a bucking bronco, scratches my back and pulls my hair till she finally cums in almighty spasms and a great gush.

Sometimes I wish to God I'd never bought the damned strap-on.

Getting lucky

I hooked up with a sexy babe in a bar last night and took her home to my place, planning on getting lucky.

I woke up this morning on the couch with all my hair and eyebrows shaved off, my jeans and boxers around my feet, my dick super glued to my leg and a cucumber stuck way up my ass.

There was a post-it note stuck to my forehead. It said, "I saw you spike my drink, so I swapped them."

Women's mags

Judging from the covers of all the women's magazines these days, the three most popular topics are:
Why all men are disgusting pigs.
How to attract men.
How to give them great sex.

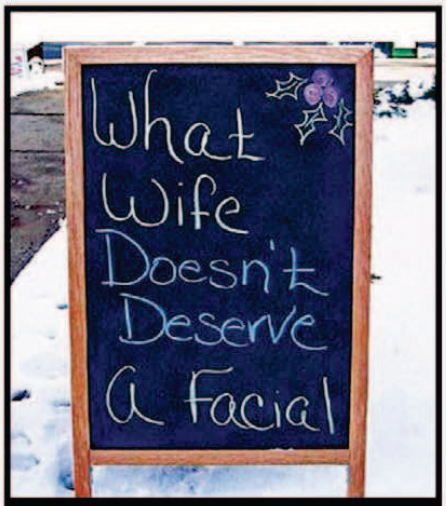
Quickies

- My wife is unbelievable in bed.

Her ability to fake orgasms has really gone downhill.

- My new girlfriend gave me a blow job last night.

She sucked at it.



How many of you see a different meaning in this?

- Foreplay.

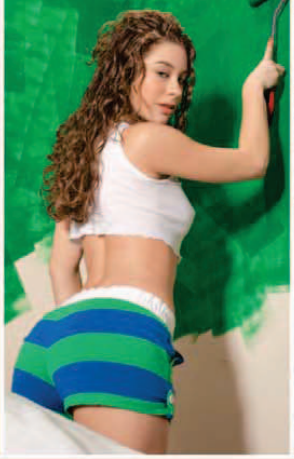
The unneeded stuff before sex that premature ejaculators have trouble with.

- I asked my new girlfriend for a blow job the other day. She said it wouldn't be fair because I never do the same for her.

I didn't realize she's got a cock!

- I realized I was watching too much porn when I found myself whistling the music from my favorite DVD's menu while I was shopping for tissues. NN

"Premature ejaculation is common, Evan. It happens with your dad all the time. Oops!"



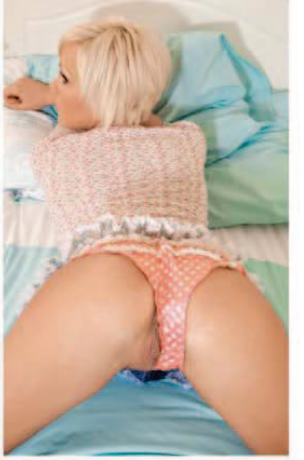
MEDIA STUDIES STUDENT

Birthday July 4 **Age** 19
Bra Size: 32B
Height: 5'4" **Weight:** 108 lbs.

"My guy wanted to paint his apartment," Elena said. "I hate doing stuff like that, but I said I'd help. When he took a photo of me painting to show our friends, I flashed my tits. So he took more photos and we had sex, and a friend helped him finish the job the next weekend. I want to be in NN so I can think about all the guys fantasizing about doing sexual things with me."

Elena's fantasy
"I want a threesome with two guys after I get used to having a cock in my ass. I can't wait to be the meat in a cock sandwich. It must be awesome to be filled with two cocks and feel them both cumming."

"I love my toy," said Elena. "I leave it at my guy's place because he uses it on me just as much as I use it on myself. I don't need anything that buzzes; I just like to have my hole filled up. That gets me off big time. My guy does me with the toy while I give him a hand-job. We try and time it so we both cum at the same time. Just recently, he's gotten the toy really lubed up and used it in my butt. The first time hurt a bit, but now I love the sensations, even though they don't make me cum. He's screwed me while I had the toy in my ass and that felt awesome. Next up is his cock in there."



POST OFFICE MAIL SORTER

Birthday November 30 **Age** 19
Bra Size: 30C
Height: 5' **Weight:** 97 lbs.

"I shagged a bloke for the first time on the day I turned 16 and it became legal, and I hardly stopped since," said Jada. "I love sex; can't get enough of it. But I'm not a slag; I won't shag any old bloke and I don't go for one night stands. I have a two-date rule before I'll spread my legs. And my other rule is that if a guy can't make me cum the first time we shag, he won't get another chance. I'm not going to waste time with a guy who can't satisfy me, there are too many others out there who are eager to do the job properly."

Shagging Jada
"Lick me and get me off and I'll blow you and swallow your stuff. When we're shagging, do me hard and deep any way you want because that will make me cum. If you're a really good boy, you can do my bum, too."

BARTENDER

Birthday November 26 **Age** 29
Bra Size: 34B
Height: 5'9" **Weight:** 125 lbs.

"I was raised in Boston, but I love living in South Florida," said Nicki. "I mean, these photos were taken in January, when Boston was covered in snow! My boyfriend booked us into this waterfront hotel for a long weekend, and the balcony was the ideal place for me to pose for NN as far as I was concerned. There were other guests out on their balconies, too, but nobody could see us clearly. Not that it would have mattered to me; that would have made it all the more exciting. Yeah, we humped out there—doggie-style—after I'd posed."

Nicki's sex fantasy
"I'd love to get it on with another couple. I want to be eating pussy for the first time while being DPed for the first time. It would be a total cum-fest that could go on for hours and leave us totally exhausted."

10 Signs...for ass

continued from page 36

4) She tells you that doggie-style is now her favorite way to fuck

A girl who likes it from the back usually likes it in her backside. It's not rocket science. Easy access is, after all, easy access. If a girl is willing to throw her ass in the air for you to penetrate her pussy deeper, you are practically at the Anal Promised Land, buddy.

5) She asks you to spread her ass cheeks during sex and spank her

Ass play is anal sex's shyer, less-experienced cousin. If your lady love decides that she wants to get used to some light spanking and having you spread her caboose open wide like the red sea, then she probably won't mind it when you make the gentle suggestion that you be allowed to slide your hard dick in there as well.

Just about every female secretly wants to try anal.

6) During foreplay, she starts playing with your butthole

Women like to share, man. They want to share feelings, moments and everything in between. If your gal pal starts showing interest in fingering your, uh, "crime scene," during foreplay she is probably doing so because she

wants you to explore hers. If you let her think that you are into doing "couples" shit, your woman will let you get away with a lot and that probably includes popping her ass cherry.

7) She's asking you to pull out of her pussy and cum on her ass

If a chick has sensitive nipples, she'll ask you to lick them. If she really gets off on oral, she'll ask you to suck on her clit. And if she is curious about having her pucker tickled by your pickle, she'll ask you to coat her can in your sauce.

8) She likes it when you lick her ass while you are eating her pussy

If your tongue is working downtown and she asks you to take a detour over to Brown Town, do it, pal! This is a sure-fire sign that she is looking for anal stimulation and what does that rhyme with? Yup, anal penetration.

9) She asks you to slip a couple of fingers into her ass during sex

Your lover asking you to put fingers in her ass is like offering you an ass appetizer that will lead up to the main course of ass-fuckery. She wants to get a taste of what penetration feels like. She wants to know something is stuffing her ass, but she wants to take it slow and easy. So you go ahead and give her brown eye the good ole' one, two. The more fingers you get in there, the better because that just means she is prepping for the main event.

10) She's decided that she wants to watch anal porn in bed with you

A woman's mind is an investigative tool that is full of lots of topics that have been researched to their fullest potential. She doesn't buy a product unless she knows everything that there is to know about it. That's why when she asks you to watch some anal porn with her, she is saying, "Hey, let's look at this how-to manual/instructional movie together so that we can try this." So, don't hesitate! Go get your porn on together!

Now that you've read the 10 signs that the pleasures of anal sex could be coming your way real soon, listen to what your fuck-buddy says and keep your cock aimed at the butt-prize. Remember, just about every female secretly wants to try anal sex; it's up to you to interpret the signs she gives you and take her all the way, buddy! NN

CALLBACK GIRL

from Feb '10

It was no surprise to us when Delila, 23, an amusement park worker from Tampa, Florida, emerged as the *Callback Girl* winner from the February issue. Her wide-eyed innocence and near-perfect bod had NN staffers drooling over her photos when we first received them. Delila had her man agree to her sending in the photos (he didn't like the idea) so they could afford to buy the satellite TV NFL football package. What a girl! Six other babes from the issue got votes from readers. We believe that's a record for the number of nominees from one issue. So, Naughty Nation, who deserves the title from this issue? MY FIRST THREESOME

When my girlfriend, Julie, asked me if her best friend, Susan, who lives in Seattle, could stay with us for a week; the week that we both had off from our jobs, I had no option but to agree. The two of them had roomed together for a couple of years in a Catholic boarding school and had kept in touch since then. For some reason, I was expecting someone kinda prim and proper, but boy was I shocked when I first saw Susan at the airport.

As Julie introduced us, I caught a wicked twinkle in Susan's eye. "Julie wasn't exaggerating when she told me how sexy you are, Tony," she said.

I felt myself blushing as she kissed my cheek. I felt a spark between us immediately and wondered if she did too. For a second I was speechless.

"I hope you enjoy your visit. We've got lots planned for you," I said as we went to pick up her luggage.

As the girls walked ahead of me, arm in arm, laughing and whispering, I couldn't help but wonder if they'd gotten up to anything sexual when they shared the room back in high school. That thought intrigued me.

The week went by quickly. We had a great time. Susan was easygoing and having her around was a lot of fun. I enjoyed the envious looks I got from other guys when I had a sexy babe on either arm, and the way Susan acted with me, I'm sure people wouldn't have known who my partner was.

On her last night with us, we'd dined out early and gone back to the condo. Susan was in the kitchen opening another bottle of wine. Julie whispered to me, "So, what do you think of Susan? She's hot isn't she?"

"I guess," I said as she snuggled against me on the couch.

"She thinks you're hot," Julie whispered. "What say we see if she's interested in a threesome?"

"What?" I blurted out, shocked that she'd just suggested something I'd been fantasizing about all week.

"Oh, come on, Tony. You're always saying you'd love to watch another woman go down on me."

"That's just sex talk in bed," I said.

"You saying you wouldn't…"

She didn't finish as Susan came back into the room. She topped up our glasses and plopped next to Julie.

"Let's toast," she said. "To the three of us."

We clinked glasses, then Julie took Susan's glass from her and placed it on the table with hers. She put her hand on Susan's knee and pushed her skirt up her thigh before cupping Susan's breast. I was stunned.

Susan leaned forward and kissed Julie lightly on the mouth while looking at me.

Julie lifted Susan's skirt to expose sexy, black panties. I felt my dick starting to harden. The girls stood up and peeled off each other's clothes. Totally naked they rubbed their bodies against

each other, mound on mound, breasts squashed together, fondling each other as they shared the most passionate kiss I've ever seen.

I put my glass down and began to fondle them, too. They pulled me to my feet and stripped me and then I was naked in between them with the biggest erection I've ever had.

They pulled me into the bedroom and onto our bed, grabbing my cock and taking turns to lick and suck the knob. I wondered which one I would fuck first. They took the decision away from me as Julie lay back, legs apart, pulling open her flaps as Susan dived down to eat her out. I got down behind her. Lowering my head, I licked her pussy, parting the lips, loving the feel of her silky juices which were already oozing from her slit. I grabbed my knob and while she tongued Julie, I slipped my dick into her as she pushed back to accommodate it.

It was fucking amazing! Never in my wildest dreams did I think I'd be doing something like this. I peered down at Julie who was pulling at her nipples, screaming as she orgasmed, totally oblivious to the world.

"Harder!" Susan demanded, her voice muffled in Julie's pussy.

"No!" I said, pulling out of her. It was time I called the shots. I lay back on the bed, my cock sticking up like a granite rod. "Susan, sit on me. Julie, come

straddle my face so I can lick the juices out of you."

They did, and as Susan rode me like a madwoman, Julie ground her pussy into my mouth. I almost shot my load, but I wasn't ready for that. I had them change positions, watching Julie ride my cock as Susan massaged her tits, played with her clit and ran a finger over her puckered hole.

"Lean forward," I told Julie. "Lube her ass," I told Susan.

"You're gonna…?" Julie whispered.

You see, I've never fucked her ass, but with Susan there I thought I'd go the whole hog and do everything I'd ever fantasized about. I nodded and felt her tremble. Her breasts squashed up against my chest and I stroked her hair as I watched Susan rim her.

"Both of you on your backs," I said. "Legs wide apart."

Giggling they lay down. As I fucked Julie, I fingered Susan, and then as I fucked Susan I fingered Julie. It was the best sex you could ever imagine. It's something you have to live through to appreciate. When they'd both cum, I told Julie to get up on all fours.

"Susan, why don't you diddle yourself while I fuck Julie's butthole," I said.

With Susan only inches away from us, I parted Julie's butt cheeks and

"I guess my breasts are okay because they get guys to notice me," said Bella. "But I think I'd look sexy even if I didn't have big tits. I don't like it when a guy gets all carried away with them when we're in bed. I don't mind having them fondled some and I enjoy having my nipples sucked a little bit, but I want all the action down at my pussy and not up top. So if a guy wants to titty-fuck me, he won't get to fuck me at all."

Cumming during sex

"I just cum once and it's always long, loud and wet. I'm probably on top, and I slam down on the guy's cock so it often makes him cum as well. I moan and groan and, I've been told, I grip him so tight that it hurts."

slipped my cock into her saturated cunt. She whimpered in protest, but I was only greasing up my cock. I grabbed my shaft and rested it against her puckered butthole. I told her to relax and watch Susan. She whimpered again and I sniffed the aroma of Susan's pussy scent, leaning forward to give her cunt a licking before slowly inching my knob into Julie's tight butthole. It slipped in easily and she relaxed, allowing my shaft to slide right in.

Man, it was fantastic, tight and hot. I began to fuck slowly, but it was so unbelievably erotic that I could feel my balls begin to tighten.

"Lick her cunt," I said, maneuvering Julie so she was in front of Susan's open thighs. As Julie began to lick, I fucked her ass furiously. Julie was screaming, "Harder! Faster!" as I rammed into her.

Julie was rubbing her own clit as she licked Susan's and I kept on banging her ass and it wasn't long till both girls were cumming, bucking and writhing on the bed. That set me off and I filled Julie's butthole, cumming harder and stronger than I ever have before. The three of us collapsed together, a tangle of arms and legs, but it wasn't long before we were going at it again. We sexed it up all night long, and I ended up taking Susan's anal cherry, too.

It was a shame we'd waited till the last night, but Susan is coming back soon for another visit. That'll be more wild sex.–Tony, Tiburon, California NN

Sexed by a Stud

Kylie & Bran

Kylie, 18, (5'3", 105 pounds, 32A bras) is a store clerk from New Orleans, Louisiana, who fantasized about doing some porn. Her roommate's boyfriend buys *NN* regularly, and from looking through mags, Kylie saw that she could come to Miami and fuck a stud for us. "I got a mini-vacation, the chance to live my fantasy, and a check. That's great," she said. "Bran took me out for dinner the night before, so we weren't strangers when we got in front of the cameras. It was no different for me than screwing a guy on a first date."

com & ww

"I like a guy to take charge during sex, telling me what to do, how to move and all that sort of thing, and that's exactly what Bran did," said Kylie. "As you can see from the photos, we screwed in all sorts of positions, some of them new for me. But I was really into it and I had a big orgasm when I was filled with Bran's big cock. That's by far the biggest cock I've ever had in me…and I totally loved it! I think size does matter. In future, I'll judge other guy's cocks against Bran's."

"I hope the readers don't think I'm weird or anything, but I really wanted Bran to cum on my face at the end," Kylie said. "No guy has ever done that to me—well, I've been too shy to ask—and I've always thought that it's ultra sexy, dirty, erotic…whatever you want to call it. I mean, I love feeling a guy cumming in my pussy with all the twitching and jizzing, but taking Bran's load on my face was way better than taking it over my titties. I loved the whole experience, but now I have to get a new fantasy. I think that will be fucking two guys at the same time."
